She's in the back seat looking for some action  
I'm in the front seat  
We started again  
She's in the front seat wants some satisfaction  
I'm in the back seat  
We started again

And everything she said was a ploy  
To get me into bed and be her toy  
Little does she know that I don't mind  
Being her good time  
Go on and use me  
I'm used to it  
Go on, abuse me  
I can handle it  
Doing all your boyfriend's dirty work don't bother me at  
all  
You know that all it takes is one phone call

She's in the back seat looking for some action  
I'm in the front seat  
We started again  
She's in the front seat wants some satisfaction  
I'm in the back seat  
We started again

And everything she said was a ploy  
To get me into bed and be her toy  
Little does she know that I don't mind  
Being her good time  
Go on and use me  
I'm used to it  
Go on, abuse me  
I can handle it  
Doing all your boyfriend's dirty work don't bother me at  
all  
You know that all it takes is one phone call

Here we go

Little does she know that I don't mind

Being her good time

So go on now

I never wanted you anyway
