You're screaming back  
You think that I'm okey  
Just for you  
But I lied  
To make a difference  
I'm hiding myself  
Just tonight

Those razors hurt  
I can't feel fine  
My love here tonight  
tonight  
Bye bye to this  
I can't feel fine  
My love here tonight

I seem to be away  
And you will push me on and on and on  
I see the light  
I can't escape (X2)

You screaming back  
You know that I obey  
Just tonight  
I have so much pain  
YOU  
I caused myself harm  
For you right now

Those razors hurt  
I can't feel fine  
My love here tonight  
tonight  
Bye bye to this  
I can't feel fine  
My love here tonight

I seem to be away  
And you will push me on and on and on  
I see the light  
I can't escape (X2)

This will be the last time I talk to you  
For righth now  
I say I hate you  
(what you did to me right now I can just say I hate you)

I seem to be away  
And you will push me on and on and on  
I see the lighth  
I can't escape (X2)

I can't escape from you  
Escape from you  
Escape from you  
You did to me  
I can't escpae your hell  
Right now it hurts
