This funeral wasn't meant for you
I cry my tears
And they all because of you
I hear your call
From the nightmare of my fall
The roses turns to wine
When the angels starts cry

And now you're dead
And I can't sleep
And I will miss your face
Time and time
Again I blame you
For not keeping me alive
I try to comprehend
Why aren't you with me
To live this life
But now when you are dead
I finally see that
we're meant to be

This funeral wasn't meant for you
I cry my tears
And they all because of you
I hear your call
From the nightmare of my fall
The roses turns to wine
When the angels starts cry

And now you're dead
And I can't sleep
And I will miss your face
Time and time
Again I blame you
For not keeping me alive
I try to comprehend
Why aren't you with me
To live this life
But now when you are dead
I finally see that
we're meant to be (when you)

I try to comprehend
Why aren't you with me
To live this life
But now when you are dead
I finally see that
we're meant to be

I try to comprehend
Why aren't you with me
To live this life
But now when you are dead (you're dead)
I finally see that (tell me)
We're meant to be
