I tried to comprehend the reasons for your games.
I just can't understand why you cause me pain.
I don't feel you trying to love me,
The way that you should.
And I know when you're lying,
You say it takes time, to wait.
Doing it again and again.
Get up, get up, get down, tell your friend. (4x)
Wanting it, it ain't enough.
Wanting it, it ain't enough.
Wanting it, it ain't enough.
Wanting it, wanting it.
DODGE to the R, this one about the Artful Dodger.
D to the R to the double E M, get up, get up, get down,
tell your friend.
