(feat. Romina Johnson)

(Ah, uh)

Ooh, you're moving too fast (fast, fast, fast, fast, fast, fast)

Ooh, you're moving too fast and I don't think it's right

I'm not giving you my love tonight

Now, ooh, you're moving too fast

Better sit back, relax

I'm not giving up no love tonight

Made a sound, no understanding

Boy, I know what you're demanding

And it's time for me to let you know (mmm, mmm, mmm)

Never be without hope to play this game

Not too serious within the same

Stop it please 'cos ain't no possibility

Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right

Bad boy, bad boy, you're such a dirty, bad boy

Beep, beep, uh-huh, a-ha, mmm, mmm

I do not see no-one to blind me

Not my kind, nothing does that lose me respect

Not only one night calls, oh, no, no

Never be without hope to play this game

Far too serious within the shame

Stop it please 'cos ain't no possibility

Won't you put your dirty hands, dirty hands on me

Ooh, you're moving too fast and I don't think it's right

Now, ooh, you're moving too fast

Ooh, you're moving too fast and I don't think it's right

I'm not giving you my love tonight

Now, ooh, you're moving too fast

Better sit back, relax
