Bubblin' from the left
Yes, we're bubblin' from the right
Craig David and Robbie Craig
Bubblin' all night
Bubblin' from the left
(Woman trouble)
Yes, we're bubblin' from the right
(Woman trouble)
Craig David and Robbie Craig
Bubblin' all night
(Woman trouble)
This is how we do
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)
(Woman trouble)

I feel fantastic, bombastic
Ecstatically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you've nearly
Won your game, oh yeah

You said that I have
Been gone too long
Don't try to tell me
That I was wrong (re-remix)
You're totally wrong for me
God, the hurt in my face
Now I know the only thing to do
Is to give myself some space
I bet she never told you everything
That drifted through her mind
All the secret thoughts
Well, I bet you never caught
Her sliding with another man
Such as I did, no, no
I hate to see the way

The finger points at me
I'm at fault, I don't think so
After all is said and done, girl
You know you had your fun
Why don't you leave it there

I feel fantastic, bombastic
Ecstatically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you've nearly
Won your game, oh yeah
You said you had a girl
With problems, tell me
Did it lead to heartache
And confusion (re-remix)
Did you wake up in tears
Not knowing where you are
Did you get it in the ear
Like I did, like I did

I bet she never told you everything
That drifted through her mind
All the secret thoughts
Well, I bet you never caught
Her sliding with another man
Such as I did, no, no
I hate to see the way
The finger points at me
I'm at fault, I don't think so
After all is said and done, girl
You know you had your fun
Why don't you leave it there

I feel fantastic, bombastic
Ecstatically astounded
How a girl can really lose her brain
I feel surrounded, confounded
Emotionally dumbfounded
To think you've nearly
Won your game, oh yeah

Emotionally dumbfounded

Won your game, oh yeah
