Well now I get up every morning  
Just to go to work  
My job sucks ass  
How long will I last?  
My boss is a fucking jerk.

Why should I sit and take such shit  
Every god damn day?  
This place is fucked  
The employees suck  
Is it worth the pay?  
No way.

YOU CAN TAKE THIS JOB AND SHOVE IT UP YOUR ASS!  
Fuck your corporation  
And your policies  
Don't be late to work  
Tuck in your shirt  
Take out all your piercings.  
You can try and hold us down  
But the rules you think are right  
Well I don't agree  
Can't you see?  
Won't go down without a fight Because I quit (x3)

You tell me that I'm fired  
And show me to the door.  
You and everyone else  
Go fuck yourself  
You stupid little whore.  
I don't think you can fire me  
Cause I already quit  
Here's my badge  
You stupid fag  
I don't give a shit  
Because I quit (x3)

Now all I do is sit at home  
And get really hella smashed.  
Drink some beer  
It's so clear  
Tonight I'm gonna get trashed.

Now I have no worries  
My old job made me sick.  
Problem with it  
Ya piece of shit  
You can suck my dick  
Because I quit!!!
