There was a riot at Taco Bell  
Quite a tale in which I will tell  
Smashed the windows  
Broke the glass  
Stupid Mexicans can kiss my ass.

Well I need some food  
I need it fast  
I got no money I'm driving around for something cheap  
I see the sign a bit down the street

Pull into the parking lot  
The open sign I did spot  
Got out the car  
All seems well  
Soon there was a riot at the bell.  
Walked into this place  
Took a look around  
Bunch of faggots everywhere  
A chick could not be found.  
Two would not stop staring  
Told them they better quit  
One just pissed us off  
And the other said 'go eat shit.'

It had really made us mad  
The fact that we had just been dissed  
By a bunch of fags with ponytails  
It made us fucking pissed off.

Riot at the bell (x3)  
Stupid Spics, you burn in hell.

Ran up to them  
Smashed their face  
Blood was spewed all over the place  
Teeth were broke  
Noses were bashed  
Threw one fag through the glass  
Then we saw the Mexican's face  
They were in a fucking daze  
I don't know what to do now

Then they shouted blanco puetas!

Then they took a charge running right at us  
Place was fucking screwed  
That was all the fuss  
They were really pissed  
Place was fucking trashed  
A faggot on the floor  
Face was broken and bashed.  
Standing in a daze  
I did not know what to do  
I took a look at the Oi boy  
He didn't have a fucking clue!  
So we got the hell out of there!!!  
Riot!!!
