Sitting here
waiting for your call
wan't you near
i feel so small

mixed thoughts
confusions running through
all i've been taught
is not to fall for you

but im failing the test (oh no)
your not like the rest (come on just)
show some interest (oh baby)
cause your the best

CHORUS

cause i'm falling for you
and i don't know what to do
i'm falling hard
i'm falling fast
will you see me through
your stuck in my head
but i have been misled
before
will you catch me when i reach the floor

i'll be
thinking of you
problems
we face them true

do you care
do you think of me?
are you aware
of what were meant to be

but im failing the test (oh, no)
your not like the rest (come on just)
show some interest (oh baby)
cause your the best

CHORUS

cause i'm falling for you
and i don't know what to do
i'm falling hard
i'm falling fast
will you see me through
your stuck in my head
but i have been misled
before
will you catch me when i reach the floor

promise me that this wont die
promise me that i won't cry
promise me promise me
through everything

can't handle being led on
can't handle once upon
this is real life
this is our fight

to prove if there's feeling

CHORUS

cause i'm falling for you
and i don't know what to do
i'm falling hard
i'm falling fast
will you see me through
your stuck in my head
but i have been misled
before
will you catch me when i reach the floor

CHORUS

cause i'm falling for you
and i don't know what to do
i'm falling hard
i'm falling fast
will you see me through
your stuck in my head
but i have been misled
before
I'm lying here as you walk out the door

(oh) (no, no)
(im lying here)
