I wish you could stay here  
Now everything has changed  
Standing here with my head up high  
I saw it coming by

Now that I am out of reach  
There's nothing left to say

So you decide to play it like  
To play it like

She doesn't know  
She doesn't care  
About anything I do or say now  
She doesn't know  
She doesn't care  
About anything I do or say

Don't bother me  
I got my own friends  
But in your head you're beggin' for my love, love, love  
I know it feels so strange, I know it feels so strange  
Just no... for my way

The right way  
Still you play it like

She doesn't know  
She doesn't care about anything  
I do or say now  
She doesn't know  
She doesn't care  
About anything I do or say

She doesn't know  
She doesn't care  
About anything I do or say now  
She doesn't know  
She doesn't care  
About anything I do or say

You saw it coming by  
So you decide to play like  
You saw it coming by  
But you decide to play it right

She doesn't know  
She doesn't care  
About anything I do or say now  
She doesn't know  
She doesn't care  
About anything I do or say
