(Mack Gordon/Harry Warren) adaptation française
Valli Timbert

Lala lala lala la, lala lala lala lala la.
Lala lala lala la, lala lala lala lala la.
The more I see you, the more I want you.
Somehow this feeling just grows and grows.
With every sigh, I become more mad about you
More lost without you and so it goes.

Can you imagine how much I love you ?
The more I see you as years go by.
I know the only one for me can only be you.
My arms won't free you and my heart won't try.

Plus je te vois, plus je te veux et ce sentiment devient
plus grand.
À chaque soupir, je deviens plus folle de toi
Perdue sans toi et c'est comme ça.

Est-ce possible combien je t'aime ? Plus je te vois et
plus je t'aime.
Je sais, il n'y a que toi pour moi et moi pour toi.
Mes bras n'te lâchent pas, mon cœur n'essaie pas.

(Guitare solo)

Isn't it magic, how much I love you ? The more I see you
as years go by.
I know the only one for me, me, me can only be you,
you, you.
My arms won't free you and my heart won't try.

My arms won't free you and my heart won't try.
Arms won't free you, heart won't try, won't free you,
won't try.
