Hi facesUp in a groundI am slave of nameless soundI  
want to spit on you for rightI am manchildHallo youMost  
you doYou are blind I know it's trueI want to spit  
on you for rightI am manchildHow could we ever act  
againHow could we ever play a gameI want to spit on  
you for rightI am manchildHallo youMost you doYou are  
blind I know it's trueI want to spit on you for rightI  
am manchildYou're chasing apart'cause my sanity is  
whatever will beI'm the frigid godSince you know what  
happensForever will beat itAvoid to deal in your  
shitAvoid  
to drop in what itYour life goes onYour love is breaking  
down.....Avoid you guys in a blissAvoid you fly on  
a listGreed is not avoidYou said hi lordTangle with  
your wordBut I'm the frigid godSince you know what  
happensForever you feel itAvoid.  
....Mean'n'pissedYou can not profit'cause I'm your  
gistShine on dude go this way
