Oh, I can't take another heartache  
Though you say oh my friend, I'm at my wit's end  
You say your love is bonafide, but that don't coincide

With the things that you do and when I ask you to be  
nice  
You say you've got to be...

CHORUS:

Cruel to be kind in the right measure  
Cruel to be kind it's a very good sign  
Cruel to be kind means that I love you  
Baby, got to be cruel, you got to be cruel to be kind

Well I do my best to understand dear  
But you still mystify and I want to know why  
I pick myself up off the ground to have you knock me  
back down  
Again and again and when I ask you to explain  
You say, you've got to be...

CHORUS

Ooh ooh ooh  
Ooh... ooh... ooh...

Well I do my best to understand dear  
But you still mystify and I want to know why  
I pick myself up off the ground to have you knock me  
back down  
Again and again and when I ask you to explain  
You say, you've got to be...

CHORUS
