What the hell is wrong with you tonight? I can't seem to say or do the right thing Wanted to be sure you're feeling right Wanted to be sure we want the same thing

She said, I can't believe it You can't, possibly mean it Don't we, all want the same thing Don't we Well, who said anything about love?

No, not love she said
Don't you know that it's different for girls?
(Don't give me love)
No, not love she said
Don't you know that it's different for girls?
You're all the same

Mama always told me save yourself Take a little time and find the right girl Then again don't end up on the shelf Logical advice gets you in a whirl

I know, a lot of things that you don't You wanna hear some? She said, just give me something Anything Well give me all you got but not love

No, not love she said
Don't you know that it's different for girls?
(Don't give me love)
No, not love she said
Don't you know that it's different for girls?
You're all the same

You're all the same

You're all the same

You're all the same

Who said anything about love?

No, not love she said
Don't you know that it's different for girls?
(Don't give me love)
No, not love she said
Don't you know that it's different for girls?
(Don't give me love)
No, no, no, no, not love she said
Don't you know that it's different for girls?
(Don't give me love)
No, no, no, no, no, not love she said
Don't give me love)
No, no, no, no, no, not love she said
Don't you know that it's different for girls?
You're all the same
You're all the same
