Shake make it forever
Curling from your lips
Faith and it's not over
Bring on that famous word

Love don't abuse it
And you'll never be sad again

I'm on my way
I'm on my way

Blood's getting hotter
Thinking about your hips
I feel all the hunger
The minute you turn away

I think it's getting better
But I can't wait another day

I'm on my way
I'm on my way

Make all your wishes
No sooner said than done
Here I come like I told you
Whether it's air, land or sea

She said this is the real thing
'Cause you're never gonna find the door

I'm on my way
I'm on my way
I'm on my way
I'm on my way
I'm on my way

Love don't abuse it
And you'll never be sad again

I'm on my
I'm on my

I'm on my way
I'm on my
I'm on my
I'm on my way
