Don't think that I'll forget,  
'cause I've got you memorized from head to feet,  
From head to feet,  
Like a cold, cold walk down Division Street  
Now what's the world to do with a boy who's always  
wrong?  
And all he offers you are these lines to a song,

Well I never dug myself in so deep,  
So as soon as I die I'm catching up on some sleep,  
Let's face it were oh so desperate  
And we can sleep sleep sleep 'til the morning eats us  
alive,

For he has already lived and is so over love,  
Then regret is all he's got to be proud of,  
I'm getting bored, of always telling you the truth,  
I swear I never lied,  
No never lied,  
No not to you

And I've never dug myself in so damn deep,  
So as soon as I die I'm catching up on some sleep,  
Let's face it we're oh so desperate  
And we can sleep sleep sleep 'til the morning eats us  
alive,  
Whoa, whoa,  
Let's face it were oh so desperate  
And we can sleep sleep sleep 'til the morning eats us  
alive,  
Whoa

Livin' on four wheels ain't so bad,  
It ain't so bad,  
It's knowing that you gave up everything that you had

And I've never dug myself in so damn deep,  
So as soon as I die I'm catching up on some sleep,  
Let's face it were oh so desperate  
And we can sleep sleep sleep 'til the morning eats us  
alive,  
Whoah, whoah,

Let's face it were oh so desperate  
And we can sleep sleep sleep 'til the morning eats us  
alive,

Whoa,  
Livin' on four wheels ain't so bad,  
Livin' on four wheels ain't so bad
