Trust me or deliver me
You know I'm on the run
Face to face we sit here now
This isn't all the fun.
Take your eyes away from me
You know I'm apathetic
Put me wise on desperation
Take the blame from me.

Sometimes I don't believe in my victory
Over tyranny, oh no.
And now I'm leaving.

Gimme commandos
You are immortal
I am the one who's on hire.
Too many reasons,
Thousand reasons for demanding termination soon.
Burning desire, burning like fire
Towing me out of disaster.
But this is the realm of tormentors.

Sometimes I don't believe in my victory
Over tyranny, oh no.
And now I'm leaving.

Run away
Release the body.

Sometimes I don't believe in my victory
Over tyranny
On the run
