Song by Foo Fighters

Too alarming now to talk about  
Take your pictures down and shake it out  
Truth or consequence, say it aloud  
Use that evidence, race it around

There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary

Don't the best of them bleed it out  
While the rest of them peter out  
Truth or consequence, say it aloud  
Use that evidence, race it around

There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary

Kudos my hero leaving all the best  
You know my hero, the one that's on

There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary
