Goose stepping around your bedroom with your jack
boots on

Paint on moustache with the internet logged on

On line for genocide

Down loading files of hate

A modem for destruction

In a virtual fascist state

Surf the net for zyklom B

In a web site fatherland

New order of the microship

Final solution now at hand

On line for genocide

Down loading files of hate

A modem for destruction

In a virtual fascist state

Are you funding the fourth Reich or making someone
rich

Click for ethnic cleansing

Click for take the piss
