ohh, you should know whats a tune,
my lyric make you shocked like a loon,
i specialize putting out big tunes,
this ones a shash and its coming out soon,
coming out to a big raid near you, this haddibadman
song what are you?

simple things might sound clash anybody,
anway i might i might send em back to the zoo,
ooh, we're going in on the vibe,
you can tell by the heavy head count inside,
up on the roof its pure bounce over ride ,
so when i say jump you better ask how high (how high),
and then reach for the sky, hands in the air, the beat
sound live,
thats how we rol so just let me know if you wanna
reload,
so you best ...come wid it!!

Coomo wid it!! JUMP!! JUMP!! JUMP!! JUMP!! Right about
now,
badman riddim (jump jump) inside the place, come wid
it.
