For you it's hard to say I'm sorry  
You know it's just the same for me  
Goodbye my friend, goodbye my friend

You think you're not to blame for this  
I'm feeling just the same, hopeless  
Goodbye my friend, goodbye my friend  
Goodbye

Sorry is so hard to say

I'm sorry, I'm leaving  
I'm sorry for seeing  
The side of you that is all so deceiving  
All I see, all the lies I believed in  
I'm sorry, I'm leaving you

Sorry is so hard to say

I thought you would have changed by now  
You fooled me once again, somehow  
Goodbye my friend, goodbye my friend

I always rearrange my life  
Now all I've got to say is goodbye, goodbye

I'm sorry, I'm leaving  
I'm sorry for seeing  
The side of you that is all so deceiving  
All I see, all the lies I believed in

I'm sorry, I'm leaving  
I'm sorry, I really mean it  
Saw the signs said I'm walking out the front door  
Now I know that there's nothing left to fight for  
Everytime I open my eyes

For you it's hard to say I'm sorry  
You know it's just the same for me

The side of you that is all so deceiving

I'm sorry, I'm leaving  
I'm sorry for seeing  
The side of you that is all so deceiving  
All I see, all the lies I believed in  
I'm sorry, I'm leaving  
I'm sorry, I really mean it  
I saw the signs, now I'm walking out the door  
Now I'm walking out the door

Sorry is so hard to say  
I know there's nothing left for me to fight for  
Sorry is so hard to say

I'm sorry, I'm leaving  
I'm sorry, and now I'm slowly walking out the front door  
I'm sorry, I'm leaving  
I'm sorry, I really mean it  
Now that I have opened my eyes
