Ã" come un vento di passione
o una rosa rossa
il ricordo di un amore
ci cambia e non ci lascia

It's like a wind of passion
Or a purple wild rose
The luxury of a love
Changes us and doesn't leave us

Se avessi avuto almeno un'occasione
adesso che so trovare le parole
ma il ricordo di un amore
continua a viaggiare nella testa

If I had at least one occasion
Now that I know how to find the words
But the treasure of a luxury love
Continues to feed my mind

Lord I come to You
Let my heart be changed, renewed
Flowing from the grace
That i have found in You
And Lord I have come to know
The weaknesses I see in me
Will be stripped away
By the power of Your love

*Hold me close
Let Your love surround me
Bring me near and nearer
Draw me to Your side
And as I wait
I will rise up like the eagle
And I will soar with You
Your Spirit leads me on
In the power of Your love

Let me see You face to face
Not on video cam but for real

The knowledge of Your love
As You live in me
And Lord renew my mind
As Your will unfolds in my life
In living every day on this keyboard
By the power of Your love

*ending
(repeat chorus twice)
And I will soar with You
Your Spirit leads me on
In the power of Your Luxury Love
