Uh huh (4x)

Come baby, baby run, run, run
If you like me, we can have some fun
Hurry up, you better beat the numbers
If you don't you better like cucumbers.
Come baby, if I told you why
Would you let up? Give me some? Cry?
If I told you I could make you wonder
We could find a way to create thunder.

Everything 'bout you is wonderful
Everything 'bout you is beautiful
Run for the sun, come give me some
Come give me some of that fun, fun
'Cause everything 'bout is wonderful
You make me want to fu-fumble
Run for the sun, come give me some
Come give me some of that fun, fun, fun

Run, run, run for the sun
Come, come, come give me some
Run, run, run for the sun
Come, come, and let's have fun

Uh huh (3x)

Baby you seem to catch my eye
You fine like my kind of guy
When I catch your gaze you make me tremble
Left me standing, baby, reassemble
Come now and let's put out that door
Suddenly, it's just become a bar
Homies thought you gave my looks but said no
Stop pretending baby. End this, just go.

Everything 'bout you is wonderful
Everything 'bout you is beautiful
Run for the sun, come give me some
Come give me some of that fun, fun
'Cause everything 'bout is wonderful

You make me want to fu-fumble
Run for the sun, come give me some
Come give me some of that fun, fun

Run, run, run for the sun
Come, come, come give me some
Run, run, run for the sun
Come, come, and let's have fun

And let's have fun
Let's have fun (3x)
