"A Special Gift To You"

Two x's connected by a dotted line
A special gift to you
One representing where you are
And what is left to do

It's so easy to forget what you want
I pull the question from my skull
It's so easy to forget

Refracted, distracted, replaced by bigger ones
a special gift to you
both representing where we were
and what we didn't do

It's so easy to forget what you want
I pull the question from my skull
It's so easy to forget, to forget
And I don't care to talk about the past
I cheated everyone
I beat the odds and beat the band
But I've forgotten what I've won
I forget (9x)
