Code red

Code Red! she
screamed
as the gun fell from her hand
i don't deserve this
go away, let me be by myself for awhile.
what have i done? i'm so lonely.

she rages in an unpadded room for the thrill
i hate you! get the hell out!
i didn't mean that.
i hope you stay for awhile.
do you forgive me?
fuck you! cover it up.
i didn't mean that.
i'm sorry! i go crazy sometimes.
i love you so much.
i hate you, cover it up.
i didn't mean that.
i don't know why you put up with me.
get out of my life.

code red: two words
that sum up our lives sometimes
a panicked sense we all know.
no one takes the blame.
no one deserve the blame.
it's just something that happens.
