Whatever am I to do
When you leave my world will fall
Please love wont you stay?

Or take me away from this
Let us forget all our fear

Cant you see I am yours?
Give it time give it time
You wont wait too long
Give it time

All the songs I could write for you
Begging you to stay with me
Words just take it out of me
(never get the feeling right)
The timing's always wrong
But you're heaven to me
(always wrong)
All I ask if for your return
Give it time give it time
You wont wait too long
Give it time give it time
You won't wait too long
Give it time give it time
Give it time

please stay. I'll wait for you
Ohh don't leave me now
Ooh, is this what you want?
Ooh, don't leave me now
Ooh, ill be alone
Ooh, don't leave me now
Ooh, is this what you want?
Ooh, don't leave me

Please stay. I'll wait for you
Ohh, don't leave me now
Ooh, is this what you want?
Ooh, don't leave me now
Ooh, i'll be alone

Ooh, don't leave me now
Ooh, is this what you want?
Ooh, don't leave me now
Ooh, don't leave me now
Don't leave me now

Don't leave me now
