Trying to get away from all the audio
This noise is getting louder and we've got nowhere to
go
Gave me everything I got but I wanted more
You're alright for this one night but you take things too
slow

Maybe if we could touch and feel tonight
Then you could be just as satisfied

Tried to get the best but all I got was more
Of the things that I don't need and things I don't want
to know
Falling over things that I didn't know were there
Knowing nothing about you except for this affair

Maybe if we could touch and feel tonight
Then you could be just as satisfied
