Someone loves you  
For who you are  
You are so special  
You're a shining star

You don't have to be insecure  
Hold your head high 'cause God is on your side  
Your vision and dreams can coming to be  
Keep your integrity, keep your dignity

You can be what you want to be  
Never, never, never lose hope  
Your problems you can cope  
This I know

For someone loves you  
For who you are, hey yeah  
You are so special  
You're a shining star  
Yeah-eah---

[saxophone solo]

Mmm-mm-mmm  
Never, never, never, never give up  
When the going, the going gets rough  
You have to hold on  
Never, never give up  
And the going, the going gets tough  
You have to be strong

Somebody loves you  
For who you are  
You are so special  
You're His shining star, no matter where you are  
No, no, no, no, no, no, no, no, no, no matter where you  
are  
It can be near or far, oh yes He did  
Wherever you are,  
You'll always be in God's heart
