Keeping my eyes on the road, I see you  
Keeping my hands on the wheel, I hold you  
99 miles from L.A., I kiss you  
I miss you, please be there

Passing the white sandy beach, we're sailing  
Turning the radio on, we're dancing  
99 miles from L.A., I want you  
I need you, please be there

The windshield is covered with rain, I'm cryin'  
Pressing my foot on the gas, I'm flyin'

Counting the telephone poles, I phone you  
Reading the signs on the road, I write you  
99 miles from L.A., we're laughing  
We're loving, please be there

Counting the telephone poles, I phone you  
Reading the signs on the road, I write you  
99 miles from L.A., we're laughing  
We're loving, please be there
