Clearing skies and drying eyes  
Now I see your smile  
Darkness goes and softness shows  
A changing style

Just in time words that rhyme  
Well bless your soul  
Now I'll fill your hands  
With kisses and a tootsie roll

Reality, it's not for me  
And it makes me laugh, oh  
But fantasy world and Disney girls  
I'm coming back

Patti page and summer days  
On old cape cod  
Happy times making wine  
In my garage

Country shade and lemonade  
Guess I'm slowing down  
It's a turned back world  
With a local girl in a smaller town

Open cars and clearer stars  
That's what I've lacked, oh  
But fantasy world and Disney girls  
I'm coming back

Love, hi Rick and Dave  
Hi pop, well good morning mom  
Love get up guess what  
I'm in love with a girl I found  
She's really swell 'cause she likes  
Church, bingo chances and old time dances

All my life I spent the night  
With dreams of you  
And the warmth I missed for the things I wished  
They're all coming true

I've got my love to give and a place to live  
Guess I'm gonna stay  
It'd be a peaceful life with a forever wife  
And a kid someday

It's earlier nights and pillow fights  
And your soft laugh  
But fantasy world and Disney girls  
I'm coming back
