Shattered dreams, worthless years  
Here am I encased inside a hollow shell  
Life began, then was done  
Now I stare into a cold and empty well

The many sounds that meet our ears  
The sights our eyes behold  
Will open up our merging hearts  
And feed our empty souls

I believe when I fall in love with you it will be forever  
I believe when I fall in love this time it will be forever

Without despair, we will share  
And the joys of caring will not be replaced  
What has been must never end  
And with the strength we have won't be erased

When the truths of love are planted firm  
They're only hard to find  
And the words of love I speak to you  
Will echo in my mind

I believe when I fall in love with you it will be forever  
I believe when I fall in love this time it will be forever

I believe when I fall in love with you it will be forever  
I believe when I fall in love this time it will be forever  
I believe when I fall in love with you it will be forever  
I believe when I fall in love this time it will be forever

I believe when I fall in love this time it will be forever  
I believe when I fall in love with you it will be forever  
I believe when I fall in love this time it will be forever  
I believe when I fall in love with you it will be forever
