Shattered dreams, worthless years, here am I encased  
inside a hollow shell.

Life began, then was done, now I stare into a cold and  
empty well.

The many sounds that meet our ears, the sights our  
eyes behold

will open up our merging hearts and feed our empty  
souls.

I believe when I fall in love with you it will be forever.

I believe when I fall in love this time it will be forever.

Without despair, we will share and the joys of caring  
will not be replaced.

What has been must never end and with the strength  
we have won't be erased.

When the truths of love are planted firm they're only  
hard to find,

and the words of love I speak to you will echo in my  
mind.

I believe when I fall in love with you it will be forever.

I believe when I fall in love this time it will be forever.

I believe when I fall in love with you it will be forever.

I believe when I fall in love this time it will be forever.

I believe when I fall in love with you it will be forever.

I believe when I fall in love this time it will be forever...
