I love him, I'm his
And everything he is, I am, too
I love her, we're one
There's nothing to be done

I have a love
And it's all that I need
Not a thing I can do
(Not a thing I can do)

When love comes so strong
There is no right or wrong
Your love is so strong
(When love comes so strong)
(There is no right or wrong)

Your love is so strong
(I love him, I'm his)
Be with her now forever
(And everything he is)

And love her
(Your love is your life)
My love

I have a love
And there's nothing to be done
Right or wrong

(I love him with a [Incomprehensible])
I have a love
And there's nothing to be done
(There's nothing)
Right or wrong

(I love him with a [Incomprehensible])
I have a love
And there's nothing to be done
(There's nothing)
Right or wrong
