Wake up my love beneath the midday sun  
Alone once more alone  
This traveling boy was only passing through  
But he will always think of you

One night of love beside a strange young smile  
As warm as I have known  
A traveling boy and only passing through  
But one who'll always think of you

Take my place out on the road again  
I must do what I must do  
Yes I know we were lovers  
But a drifter discovers  
A traveling boy and only passing through  
But one who'll always think of you

Take my place out on the road again, I must do what I  
must do  
Yes I know we were lovers but a drifter discovers  
That a perfect love won't always last forever

I won't say that I'll be back again 'cause time alone will  
tell  
So no goodbyes for one just passing through  
But one who'll always think of you, no goodbyes
