Wake up my love beneath the midday sun
Alone, once more alone
This Travellin' boy was only passing through
But he will always think of you

One night of love beside a strange young smile
As warm as I have known
A travelling boy and only passing through
But one who'll always think of you

Take my place out on the road again
I must do what I must do
Yes I know we were lovers
But a drifter discovers

A travellin' boy and only passing through
But one who'll always think of you

Take my place out on the road again
I must do what I must do
Yes I know we were lovers
But a drifter discovers
That a perfect love won't always last forever

I won't say that I'll be back again
Cause time alone will tell
So no goodbyes for one just passing through
But one who'll always think of you
--no goodbyes
