What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful, wonderful
world

Don't know much about history
Don't know much biology
Don't know much about the science book
Don't know much about the French I took
But I do know that I love you
And I know that if you love me too
What a wonderful, wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
I don't know what a slide rule is for
But I do know one and one is two
And if this one could be with you
What a wonderful world
What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful world

Now I don't claim to be an A-student
But I'm tryin' to be
I think that maybe by being an A-student, baby baby
I could win your love for me

Don't know much about the middle ages
Look at the pictures and I turn the pages
Don't know nothin' bout no rise and fall
Don't know nothin' bout nothin' at all
Girl, it's you that I been thinkin' of
And if I could only win your love
What a wonderful, wonderful world this would be
What a wonderful, wonderful world this would be
What a wonderful, wonderful, wonderful, wonderful
world
What a wonderful, wonderful, wonderful, wonderful
world ...
