200 Cigarettes Movie "Our Lips Are Sealed"

Can you hear them They talk about us Telling lies Well that's no surprise

Can you see them See right through them They have no shield No secrets to reveal

It doesn't matter what they say In the jealous games people play Our lips are sealed

Careless talk
Through paper walls
We can't stop them
Only laugh at them

Spreading rumors
So far from true
Dragged up from the underworld
Just like some precious pearl

It doesn't matter what they say
In the jealous games people play
Our lips are sealed
Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed

There's a weapon We must use In our defense Silence

When you look at them Look right through them That's when they'll disappear That's when you'll be feared

Hush, my darling

Don't you cry Quiet, angel Forget their lies
