A lovestruck romeo sing a streetsuss serenade  
Laying everybody low with a lovesong that he made  
Finds a convenient street light steps out of the shade  
Says something like you and me babe how about it?

Juliet says hey it's romeo you nearly gimme a heart  
attack  
He's underneath the window she's singing hey la my  
boyfriend's back  
You shouldn't come around here singing up at people  
like that  
Anyway what you gonna do about it?

Juliet the dice was loaded from the start  
And I bet and you exploded into my heart  
And I forget the movie song  
When you gonna realise it was just that the time was  
wrong juliet?

Come up on different streets they both were streets of  
shame  
Both dirty both mean yes and the dream was just the  
same  
And I dreamed your dream for you and now your  
dream is real  
How can you look at me as if I was just another one of  
your deals?

When you can fall for chains of silver you can fall for  
chains of gold  
You can fall for pretty strangers and the promises they  
hold  
You promised me everything you promised me thick  
and thin  
Now you just say oh romeo yeah you know I used to  
have a scene with him

Juliet when we made love you used to cry  
You said I love you like the stars above and I love you  
till I die  
There's a place for us you know the movie song  
When you gonna realise it was just that the time was

wrong juliet?

I can't do the talk like they talk on the TV  
And I can't do a love song like the way it's meant to be  
I can't do everything but I'd do anything for you  
I can't do anything except be in love you

And all I do is miss you and the way we used to be  
And all I do is keep th beat and bad company  
All I do is kiss you through the bars of a rhyme  
Julie I'd do the stars with you any time

Juliet when we made love you used to cry  
You said I love you like the stars above I'll love you till I  
die  
And there's a place for us you know the movie song  
When you gonna realise it was just that the time was  
wrong juliet?

A lovestruck romeo sings a streetsuss serenade  
Laying everybody low with a lovesong that he made  
Finds a convenient streetlight steps out of the shade  
Says something like you and me babe how about it?
