Save it for later...

Two dozen other dirty lovers
Must be a sucker for it
Cry Cry but I don't need my mother
Just hold my hand while I come
To a decision on this

Sooner or later your legs give way adn hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me
down
Don't run away run away and let me down
Don't run away run away

Black aarons seven sea's a rotten fruit
But what can you do?
I don't know how I meant to act with all you lot
Sometimes I don't try I just da da
dadadadadadada...

Sooner or later your legs give way adn hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me
down
Don't run away run away and let me down
Don't run away run away

Two dozen other stupid reasons
Why we should suffer for this
Don't bother trying to explain them
Just hold my hand while I come
To a decision on it

Sooner or later your legs give way and hit the ground
Save it for later don't run away and let me down
Sooner or later ya hit the deck, you'll get found out
Save it for later don't run away run away and let me
down
Don't run away run away and let me down

Don't run away run away run away run away run away
run away run away...

Save it for later (x 11)
