Here we are, so what you gonna do?
Do I gotta spell it out for you?
I can see that you got other plans for tonight,
But I don't really care!
Size me up, you know I beat the best,
Tick tock, no time to rest!
Let em' say what their gonna say,
But tonight I just don't even care!

Come on, baby, we ain't gonna live forever,
Let me show you all the things
That we could do,
You know you wanna be together
And I wanna spend the night with you.
Yeah-yeah, with you, yeah-yeah,
Come with me tonight,
We could make the night last forever.

I've seen it all, I've got nothing to prove.
Come on, baby, just make your move!
Follow me, let's leave it all behind tonight,
Like we just don't care.
Let me take you on the ride of your life,
That's what I said alright!
They can say what they wanna say
'Cause tonight I just don't even care!

Come on, baby, we ain't gonna live forever,
Let me show you all the things
That we could do,
You know you wanna be together
And I wanna spend the night with you.
Yeah-yeah, with you, yeah-yeah,
Come with me tonight,
We could make the night last forever.

Let's pretend you're mine!
We could just pretend,
We could just pretend,
You got what I like,
You got what I like,

I got what you like!
Oh, come on!
Just one taste and you'll want more.
So tell me what you're waiting for?

Come on, baby, we ain't gonna live forever,
Let me show you all the things
That we could do,
You know you wanna be together
And I wanna spend the night with you.
Yeah-yeah, with you, yeah-yeah,
Come with me tonight,
We could make the night last forever.
(chorus x2)
