They say,  
Don't trust,  
You, me,  
We, us,  
So we'll fall,  
We must,  
Just you, me,  
And it's all about,  
It's all about

It's all about us, all about us  
It's all about, all about us  
All about us  
That's the thing that they can't touch  
'cause you know (us)

It's all about us, all about us  
It's all about, all about us  
All about us  
Run away if we must  
Cause you know (us)

It's all about us (It's all about us)  
It's all about us (It's all about us)  
In you I can trust (It's all about us)  
It's all about us

If they hurt you,  
They hurt me too,  
So we'll rise up,  
Won't stop,  
And it's all about,  
It's all about,

It's all about us, all about us  
It's all about, all about us  
All about us  
That's the thing that they can't touch  
'Cause you know (us)

It's all about us, all about us

It's all about, all about us  
All about us  
Run away if we must  
Cause you know (us)

It's all about us (It's all about us)  
It's all about us (It's all about us)  
In you I can trust (It's all about us)  
It's all about us

They don't know,  
They can't see,  
Who we are,  
Fear is the enemy,  
Hold on tight,  
Hold on to me,  
'Cause tonight,

It's all about us, all about us  
It's all about, all about us  
That's the thing that they can't touch  
'Cause you know (us)

It's all about us, all about us  
It's all about, all about us  
All about us  
Run away if we must  
But you know (us)

It's all about us (It's all about us)  
It's all about us (It's all about us)  
It's all about us (It's all about us)

It's all about us!  
It's all about us
