we look the same yeah we look the same
we're twins so we look the same oh yeah
freaky twins gonna freak you out
tell me this doesn't freak you out
we wear our school uniforms all weekend
even though we left school years ago
we both can't pronounce our surname
it's orglili dili lili lilili asso
oooooooooh
we don't even know each other (we don't)
that's why we wear nametags
did you know that twins speak their own language
dewinlolaxisi
gotta look the same gotta look the same
gotta stand together and almost pash but not
samey samey same same samey same same

what's a word that rhymes with same?
same.. sa-same! same same same same same
same same
oh i like this
same same same same
i like this a lot
same same same

we don't even know each other (wich one am i)
that's why we wear name tags
can't tell one from the other
just ask our stunt double
we are double trouble do not burst our bubble seeing

i don't know which room to sleep in
samey samey same same samey same same
does anybody know we're twins?
