Â«Oh no, don't go changingÂ», -
That's what you told me from the start.
Thought you were something different
That's when it all just fell apart.
Like you're so perfect,
And I can't measure up,
Well, I'm not perfect,
Just all messed up.

I was losing myself to somebody else.
But now I seeâ€¦
I don't wanna pretend!
So this is the end of you and me!
'Cause the girl that you want,
She was tearing us apart,
'Cause she's everything,
Everything I'm not.

It's not like I need somebody
Telling me where
I should go at night.
Don't worry you'll find somebody,
Someone to tell how to live their life.
'Cause you're so perfect,
And no one measures up.
Yeah, all by yourself
You're all messed up.

I was losing myself to somebody else.
But now I seeâ€¦
I don't wanna pretend
So this is the end of you and me.
'Cause the girl that you want,
She was tearing us apart,
'Cause she's everything,
Everything I'm not.

Now wait a minute
Because of you I never knew
All the things that I had.
Hey, don't you get it!

I'm not going anywhere with you tonight
'Cause this is my life!

I was losing myself to somebody else
But now I seeâ€¦
I don't wanna pretend
So this is the end of you and me.
'Cause the girl that you want
She was tearing us apart,
'Cause she's everything
Everything I'm not.

But now I seeâ€¦
I don't wanna pretend
So this is the end of you and me.
'Cause the girl that you want
She was tearing us apart,
'Cause she's everything
Everything I'm not.
