Faded, I'm slipping away  
Cuz I'm disappearing in the dark  
You never take, take the time to really look  
Look at the one, the one I really am  
You try to fit, to fit me in a perfect box,  
You let me slip between the cracks

Now I'm faded into someone else  
Baby, someone I don't want to be  
Yeah, I'm faded, my true colors gone  
Like the picture nobody sees

I bet you don't, don't even know my favorite song,  
You tell me how, how I should wear my hair,  
You want to change everything I ever was  
Try to erase me till I'm not there

Now I'm faded like I never was,  
So I don't even know myself  
Yeah, I'm faded into what you want,  
But I'm not taken it to well

I don't want to be your little picture,  
Perfect pretty girl who's got nothing to say,  
And I'm not gonna wait around for you  
To run my whole life down,  
I'll let you watch me fade away!

You try to fit, to fit me in a perfect box,  
You let me slip between the cracks

Now I'm faded like I never was,  
So I don't even know myself  
Yeah, I'm faded into what you want,  
But I'm not taken it to well

Faded, faded, I'm slipping away  
Cuz I'm disappearing in the dark,  
Cuz I'm faded, faded, I'm so far away from  
Who I was at the start  
Yeah, faded, faded, I'm slipping away,

Cuz I'm disappearing in the dark  
Cuz I'm faded  
I'm so far away from who I was at the start
