Guitar in the corner  
Your jeans and your socks in a heap.  
Tequila and salt shaker lies on the blankets where you  
sleep.  
You come to escape the city that screams...

[Chorus]

I'm so happy  
Happy here with you  
Are you happy?  
Say you're happy, too  
All I need I found in you  
I'm so happy, I'm so happy here with you

The smile on your face  
Is a thought I can't erase from my mind.  
In this complicated world a girl never knows what she'll  
find.  
I don't wanna leave when I'm in your arms

[Chorus]

I'm so happy  
Happy here with you  
Are you happy?  
Say you're happy, too  
All I need I found in you  
I'm so happy, I'm so happy here with you  
Here with you  
I'm with you, oh

I'm so happy  
Happy here with you  
Are you happy?  
Say you're happy, too  
All I need I found in you  
I'm so happy here with you

Let's get happy (x4)  
All I need I found in you  
I'm so happy, I'm so happy  
Here with you
