Everyday I sit here waiting,
Everyday just seems so long,
And now I've had enough of all the hating.
Do we even care? It's so unfair!
Any day it'll all be over.
Everyday there's nothing new,
And now I just try to find some hope
To try and hold onto,
But it starts again
It'll never end!

I'm heavily broken,
And I don't know what to do.
It just seems like I'm choking
And I can't even move.
When there's nothing left to say
What can you do?
I'm heavily broken,
And there's nothing I can do.

Almost giving up on trying,
Almost heading for a fall
And now I'm screaming
I've gotta keep on fighting
But then again,
It doesn't end!

I'm heavily broken,
And I don't know what to do.
It just seems like I'm choking
And I can't even move.
When there's nothing left to say
What can you do?
I'm heavily broken,
And there's nothing I can do.

Feels like I'm drowning,
I'm screaming for air,
Louder I'm crying,
And you don't even care!

I'm heavily broken,
And I don't know what to do.
It just seems like I'm choking
And I can't even move.
When there's nothing left to say
What can you do?
I'm heavily broken.

I'm heavily broken,
And I don't know what to do.
It just seems like I'm choking
And I can't even move.
When there's nothing left to say
What can you do?
I'm heavily broken,
I'm heavily broken,
Heavily brokenâ€¦
