I'm tired of my life! I feel so in between!
I'm sick of all my friends!
Girls can be so mean!
I feel like throwing out everything I wear!
Starting over new 'cause I'm not even there.

Sometimes...
I want to get away some place!
But I don't want to stay too long.
Sometimesâ€¦
I want a brand new day,
Trying to fit in where I don't belong.

Hook-hook me up!
I want to feel the rain in my hair.
Hook-hook me up!
Where should we go I don't even care!
Anywhere is good enough.
Hook me up! Hook me up!

I like the lights turned out,
The sound of closing doors.
Not like other girls who always feel so sure
Of everything they are, of what they're going to be.
Sometimes I'm just a girl stuck inside of me.

Sometimes...
I want to disappear some place!
But I don't want to stay too long.
Sometimesâ€¦
I'm feeling so alone,
Trying to fit in where I don't belong.

Hook-hook me up!
I want to feel the rain in my hair.
Hook-hook me up!
Where should we go I don't even care!
Anywhere is good enough.
Hook me up! Hook me up!

Anywhere is good enough. Hook me up!

They're going to crash and burn,
I'm going to find a way.
Nothing left to say.

Hook-hook me up!
I want to feel the rain in my hair.
Hook-hook me up!
Where should we go I don't even care!
Hook-hook me up!
I want to feel the rain in my hair.
Hook-hook me up!
Where should we go I don't even care!
Anywhere is good enough.
Hook me up! Hook me up!
Hook me up!
