Saturdays will never be the same
It's even hard mentioning your name
Lookin' back I don't know what went wrong
But suddenly it's like I don't belong

So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again

Nothing seems to matter anymore
Why can't it be just like it was before?
I hate you for the person I've become
Take me back to where it all begun

So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again

Let me know, how to live
Let me know

So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again
