I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait for you

I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait for you

'Cause I need you
'Can't you see that I need you?
'Cause I need you
'Can't you see that I need you?

Baby, it's you I want
So stop wasting my time
Baby, it's you I need
So please make up your mind
It's time to choose

I don't wanna say
I don't wanna say
I don't wanna say
I don't wanna say
Say goodbye to you

I don't wanna play
I don't wanna play
I don't wanna play
I don't wanna play
Play this game with you

'Cause I need you
Can't you see that I need you?
Oh, I need you
Can't you see that I need you?

Baby, it's you I want

So stop wasting my time
Baby, it's you I need
So please make up your mind
It's time to choose

Every time you stay
The world starts making sense to me
And when you go away
I wanna scream till you see

I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait for you, yeah

I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait
I don't wanna wait for you

Baby, it's you I want
So stop wasting my time
Oh baby, it's you I need
So please make up your mind, yeah
It's time to choose

I don't wanna say
I don't wanna say
I don't wanna say
I don't wanna say
Say goodbye to you
