Jess is asleep sleep sleep sleep
Sleep
I can't sleep most of the time
Try to cancel you from my mind
Never liked you that much anyway
Like to try to sleep through to Saturday
Can't seem to keep my eyes shut
Can't stop to think about what?
You said you said to me when
I lost I lost you again
Can't make the feeling go away (I think)
Gotta get me outta this state
Gotta feel the rush in my face

I'm lonely
Gotta look for a party
To dance with somebody
Tonight
Cuz I'm lonely
I feel empty inside
Can't you make me feel alive?
I N S O M N I A
Can't sleep (I N S O M N I A)
Can't sleep

Don't look at me like that
What? You think I'm some kind of maniac
Who was asking your opinion anyway?
It's my life and you don't have a say
Gotta get, get out of this place
Can't stand to look at your face
I'm gonna get lost in the underground
I'll kill you if you follow me around
Can't make the feeling go away (I think)
Gotta get me outta this state
Gotta feel the rush in my face

I'm lonely
Gotta look for a party
To dance with somebody
Tonight

Cuz Im lonely
I feel empty inside
Can't you make me feel alive?
I N S O M N I A
Can't sleep (I N S O M N I A)
Can't sleep

Can't sleep
Can't sleep
Can't sleep

I N S O M N I A
Can't sleep (I N S O M N I A)
Can't sleep
